7. Highway Superintendent Comments/Concerns

Wheeler stated that the Highway Department has been working on East Lake Road since the last Town Board meeting. They did the cap to the bridge today. The guardrail should be done tomorrow.

Christensen stated that he received a call from Eileen Farnan. Farnan has a concern regarding a tree stump that is in front of the old wine shop on Gray Road. She would like to see the highway department grind it down. Supervisor Wright stated that if it wasn't a

safety hazard then the department should leave it alone. Wheeler suggested that everyone on the Board go look at it. This is tabled until the next Town Board meeting.

Wheeler stated that when they tore down the bridge on East Lake Road they had a lot of iron leftover. They took it to B&B Recycling and received \$988. He explained to the Board that they had an unexpected expense because their demo saw broke and they needed to buy another. He requested that this money from the iron be put into the account that they had to pay for the new demo saw out of.

**Resolution 2013-113** to put the \$988 check from B&B Recycling into account number D5130.4 was made by Olney and seconded by Castner.
