The Office of the Assessor for the Towns of Barrington and Starkey remains closed due to the 2019 Novel Coronavirus, but operating remotely and will pick up mail at the office.

I will do everything possible to make the needed information, forms and records electronically or hard copy mail available, as I am working from home. NYS Real Property Tax Law mandates an Assessor to be present for certain activities, dates and legal procedures, therefore I must reduce my potential exposure to the virus in order to perform the duties of my office and provide the necessary and required services.

To contact me please use the following:

townofstarkey@stny.rr.com This is my direct work email, please be as detailed as possible and I will respond as soon as I can.

607-229-5657 my personal cell and leave a detailed message and I will return your call.

May 1, 2020 all the assessment information will be available on the Yates County Website at yatescounty.org under the Real Property Tax Services page and is in a very easy to use format. A paper copy of the 2020 Tentative Assessment Roll will be available in each Town Hall. New York State has not advised the Assessment Community on any alternatives or deviations as the entire process of assessment, budgeting and tax extension is specifically mandated by The Real Property Tax Laws.

As a property owner, you have the legal right to review your assessment, property inventory and to file a complaint or a review of your assessment if you so chose.

With patience and cooperation we will be able to work through this unprecedented situation.

Thank you and stay well!

Tony
