July 9, 2024 at 6 pm for Barrington Zoning Board of Adjustment/Appeals

Application/petition # 2024-5-23

**FINDINGS OF FACT**

Having heard the testimony and considered the evidence presented, the Board determines the facts of this case to be:

Filing Date: May 23, 2024

Affidavit of publication/posting is on file.

Hearing Date: July 9, 2024

- A. The applicant or appellant is (name and address): Anthony Daniele  
1115 East Lake Road  
Dundee NY 14837
- B. The applicant or appellant is the owner of the following described property which is the subject of the application or appeal: \_\_\_\_ 1/4 of \_\_\_\_ 1/4,  
Town of Barrington in Yates County  
known as 1115 East Lake Road, Dundee NY 14837
- C. The property is presently in use for lake residential and has been so used continuously for the life of the property.
- D. The property includes a nonconforming structure/use described as  
\_\_\_\_\_
- E. The property has been the subject of a prior appeal/variance/conditional use described as  
\_\_\_\_\_
- F. The applicant or appellant proposes (brief project description/attach plans):
- G. The applicant or appellant requests:
  - an appeal of the zoning administrator’s determination
  - a conditional use/special exception
  - a use variance
  - an area variance
 under Section \_\_\_\_\_ of the ordinance.

The features of the proposed construction and property that relate to the grant or denial of the application or appeal are (refer to the language/standards of the ordinance):

To keep a permanent hot tub that was built on the house lot 3’ too close to the high-water mark.

The board voted to unanimously approve the variance for up to 5’ away from the high-water mark.

**CONCLUSIONS OF LAW**

Based on the above findings of fact the Board concludes that:

Appeal/Interpretation – The order of the zoning administrator (is/is not) in excess of his/her authority because (or)

The zoning administrator’s interpretation of Section \_\_\_\_\_ of the zoning code (is/is not) a correct interpretation because

---

---

---

Variance – The variance (does/does not) meet all three of the following tests:

A. The hardship is due to physical limitations of the property rather than the circumstances of the appellant because of the location of the existing garage.

---

---

---

B. The variance will not harm the public interest because the stream located to the North of the property line will not be harmed & the front set-back is more than 80’ off the road.

---

---

---

C. Unnecessary hardship

- For an area variance, unnecessary hardship exists when compliance would unreasonably prevent the owner from using the property for a permitted purpose (leaving the property owner without any use that is permitted for the property) or would render conformity with such restrictions unnecessarily burdensome. The board of adjustment must consider the purpose of the zoning restriction, the zoning restriction's effect on the property, and the short-term, long-term and cumulative effects of a variance on the neighborhood, the community and on the public interests. This standard reflects the new *Ziervogel* and *Waushara County* decisions.
- For a use variance, unnecessary hardship exists only if there is no reasonable use of the property without the variance.

D. Unnecessary hardship (is/is not) present because

---

---

---

Conditional Use – The application for a conditional use permit (does/does not) qualify under the criteria of Section \_\_\_\_\_ of the ordinance because

---

---

---

**ORDER AND DETERMINATION**

Appeal/Interpretation – The zoning administrator’s order/interpretation of the zoning code or map is (affirmed/modified/reversed) and the administrator is ordered to:

---

---

---

All conditions of the Planning Board including lighting, hours of operation, parking, & covered porch. Yates County approved the soil for the driveway & septic.
